Hi Tannin,

Hope your day is going well. Following up on the request to install Reachcode on the site for tracking purposes.

Please following the instructions below to install.

- 1) Copy the code below.
- 2) Add the code to a global header file on your website. If you have a static HTML site, make sure it is included on every HTML page.

CODE:

```
<script type="text/javascript" src="//cdn.rlets.com/capture_configs/389/01c/3af/9de4c01ab8b1b1eb05fed7b.js" async="async"></script>
```

Please let us know if you have any questions.

Thanks,
